1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of company that is subject of this pending proceeding

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The last rate increase was to perform line maintenance, so we were told. Now this outrageous increase is to pay for the line maintenance the company has done. What happened to fiscally-sound company management? As a customer, I've seen no apparent benefit. True, I have running water (and extremely low water pressure) but that's what I'm paying through the nose for (the water, not the low water pressure).

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

If I can re-arrange my work schedule, yes.
